EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

Lumen Gentium

This study examines a pivotal document from Vatican II, offering a vision for the Church and its role in the modern world. Women will learn what is true and lasting about the Church – that it is more than just a human institution, instead it is the “sacrament of salvation” instituted by Christ Himself. This study encourages women to consider their own role within the Church and apply this teaching to their communities, bringing Christ’s light to the world.
