## EDUCATING ON THE NATURE & DIGNITY OF WOMEN

Endow is a Catholic apostolate for women. We call women together to study the important documents of the church. Through Endow groups, women encounter their identity as daughters of God, enabling them to grow in their faith and ultimately discover their mission in life.

Join a movement of women who want to cultivate deep friendships by studying the rich spiritual and intellectual documents of the Catholic Church! An Endow Study is an 8-12 week commitment. The Method is simple: gather together, read the chapter aloud and discuss the questions at the end of each section. There is no preparation and no homework required.

# Setting the World Ablaze

This study introduces St. Catherine of Siena, who left such a rich legacy in just 33 short years on earth that she is named a Doctor of the Church. St. Catherine used her feminine genius to address the concerns that God put before her, allowing God's plan to transform her life and the world around her. Her words ring as true today as when she first exhorted fellow Christians to "be who you are called to be and you will set the world ablaze!"
