

Woman has a genius all her own,  
which is vitally essential to both  
society and the Church.

-POPE ST. JOHN PAUL II

## HOST AN ENDOW GROUP

Hosts are the heart of Endow. An Endow host creates a welcoming environment of friendship and study for the women in her community.

EDUCATING on the NATURE  
and DIGNITY of WOMEN

## THE ENDOW METHOD

We believe the teachings of the Church are timely, relevant, and deeply personal. By gathering together to read aloud and discuss these teachings, women grow in understanding their vocation and dignity. Endow can transform the heart of every woman.

## OUR CONTENT

Our content is aimed at guiding women to be transformed by the voice of the Church. Each of our study guides focus on either a magisterial document or the writings of a saint or Doctor of the Church.

*Every Endow study guide has an Imprimatur from the Archdiocese of Denver.*

## Our Mission

Endow seeks to educate women toward a profound understanding of their God-given dignity through study in small groups of faith and friendship.

Rooted in the teachings of Pope St. John Paul II, Endow affirms the genius of women and empowers them to fulfill our culture's desperate need for an authentic feminine presence in every aspect of life and society.

## Who we are

Endow believes that the deepest transformation of heart and mind is through intimate relationships in a small group. We've seen proof of this concept since the early church. Small group communities create the most lasting impact on human development.

By unpacking our rich Catholic heritage together, we create opportunities for women to learn, build deep friendships, and deepen their relationship in Christ.
